## Thanks for choosing PayRange!

Using PayRange is simple, fast, secure, and rewarding. You're only a few steps away from creating an Operator account and adding roles.

Click here to go to manage.payrange.com and click on "Operator Sign up".

1. Enter your name, Email, confirm Email, and create a password. Click "Next" when completed.

2. Verify your account by entering your mobile number and click either "Send SMS to my phone" or "Call me instead". Once you receive the verification code, enter the code and click "Next".

3. Enter the requested information to complete your account setup.
   - **Please do not enter any financial information until we have been removed from your account.**

4. Add a role to your account by clicking on "Settings" from the left menu bar and then click on "Users". Click on "Add Users", enter the email address provided by us, change the role to "Owner", and click on "Add User".

Please inform us once your account setup is completed so we can proceed with installing your PayRange devices.
